## **REPORT ON INTERDEPARTMENTAL SEMINAR**

Organized by: **RESEARCH COMMITTEE**, Sao Chang College

The Research Committee conducted Interdepartmental Seminar on 4<sup>th</sup> March 2025. Venue was in the College Conference Hall, chaired by Mr. Seyieneizo (Assistant Professor, Dept. of Physics), and recorded by Mr. Lemkhaba (Assistant Professor, Dept. of Education).

**Title of the program:** Listen Learn and Grow Together      Date: 04-03-2025

### **Objectives:**

To present, learn and discuss on varied specialization, recent trends and developments, promote research oriented academic interest among the faculties; collaboration and growth among likeminded faculties from various academic institutions.

### **Description:**

**Mr. Ciekrovoto Theluo**, Assistant Professor, Department of Mathematics, discussed on the topic **“Game Theory: The science of decision making”**. In his presentation, he highlighted on game theory focusing on models of strategic interactions and the way or order in which the players should make moves and how it considers the information for the players at each decision point. The presenter also focused on the application of the game theory.

**Mr. Langnyei Imlichuba Phom**, Assistant Professor, Department of History, presented on the topic, **“Roman Culture”**. The presentation started with an introduction to the Roman Empire. The presenter presented on different aspects of Roman Culture such as society where the society was divided into different classes, religion where he highlighted the different gods worshipped by the Romans. He also touched upon the literature, art, clothing, and food habits which shaped the Roman Empire.

### **Outcome:**

The participants could learn about choices made during decision making in real life situations and application of Game theory in various applications. Also gained knowledge on the strategies of Romans, their culture and practices and the impact they have made in human civilization.
