### Activity Report

The Department of Economics, Botany, Chemistry, Physics, Mathematics and, Zoology in collaboration with the Department of Horticulture, Government of Nagaland Tuensang, Nagaland organized a skill development program (RKVY 2023-2025) for the student of 2<sup>nd</sup>, 4<sup>th</sup> and 6<sup>th</sup> semester. Miss Khonzani Ezung Senior Research Fellow demonstrated in detail how fruit can be properly preserved for the off- season. A hands-on practical session in preserving papaya into jam was also conducted. The students actively participated in the process, making it very engaging and informative session. The session concluded with a vote of thanks by Miss Tongpangkola Chang Botany SCC.

In total 50 participants, including faculty members, attended the activity
