

REPORT ON

WORKSHOP ON DATA COLLECTION FOR HISTORY WRITING

Department of history , Sao Chang College, Tuensang organised a workshop on "**Data collection for History writing**" on 27th March 2024, for the BA 6th semester History Honours students. Dr.Iris Odyuo Associate professor from Department of History was the resource person. The resource person highlighted on the importance of data collection both the primary and secondary sources for reliability and accuracy to construct a comprehensive understanding of the past events, societies and culture in history writing. All the history honours students attended the workshop and it was a learning experience which equipped the students with skills and insights for a lifelong learning.

The main objective of this workshop was to impart knowledge of data collection for History writing and to equip the students with the skill for further research work.

All together 31 participants including the faculty took part in the workshop.

Department of History, Sao Chang College, Tuensang organised a workshop on "Data collection for History writing" for the BA 6th semester History Honours students on March 27. Resource person Dr Iris Odyuo, Associate Professor from the Department of History highlighted the importance of data collection, both primary and secondary sources, for reliability and accuracy to construct a comprehensive understanding of the past events, societies and culture in history writing. According to a press release issued by Media Cell, SCC, the workshop was a learning experience which equipped the students with skills and insights for a lifelong learning. All together 31 participants including faculty took part in the workshop.
