REPORT ON DIPLOMA IN COMPUTER APPLICATION

The Information and Communication Technology (ICT) Committee Sao Chang College in collaboration with the Digital Morung, Tuensang initiated a six months Diploma in Computer Application (DCA) course, for the benefit of the students of the college.

The course began on 8th September 2024 and concluded on the 23rd of March, 2025.

A total of 31 students applied and successfully completed the course.

The curriculum covered a range of important topics on Computer Fundamentals like Operating Systems, Typing Skills, Microsoft Office Tools, HTML, CSS, Photoshop, PageMaker, Internet usage Web Technologies and other essentials. These subjects provided students with a well-rounded understanding of both basic and advanced computer applications, equipping them with essential digital skills for modern academic and professional development.

Classes were scheduled thrice a week: Monday, Wednesday and Friday from 1:30 PM to 2:30 PM.

Additionally, for the welfare of the student's community a discount of 50% on the fee of ₹ 9000 was made available, where by the students paid ₹4000 while the college provided the remaining ₹ 500 per student. This financial aid made the program more accessible and affordable, encouraging maximum enrolment.

The course's successful completion by all 31 students highlights the effectiveness of the collaboration between Sao Chang College and Digital Morung, as well as the students' commitment to enhancing their digital literacy and competence. This initiative was instrumental in empowering students with vital computer skills, preparing them for future academic pursuits and professional careers in an increasingly digital world.
