

Report on Special Police Experiential Learning Program (SPELP)

On the directive of the ministry of Youth Affairs and Sports, Government of India, the NSS Unit of Sao Chang College conducted the *Special Police Experiential Learning Program (SPELP)* from 2/7/2024 to 22/7/2024 (120 hours). The program was held at Tuensang Police Station, where students received training under the guidance of the Tuensang Police, led by the Additional Superintendent of Police, Tuensang.

The program provided students with hands-on experience in the functions and mechanisms of policing. Over the course of 120 hours, students were trained on a variety of topics, including:

- Basic of Criminal Law- IPC, CrPC, and IEA
- Police station record and functioning
- Basic of crime investigation and substance abuse
- General law and order (MVCP & foot patrolling)
- Crime against women and children
- Traffic management and
- Basic of Cybercrime awareness.

Upon completion of the program, students were awarded certificates of participation. A total of six students (four girls and two boys) successfully completed the program.
